

## Arkansas Diamond Primary Book Award

The Arkansas Department of Education (ADE), the Arkansas State Library (ASL) and the Arkansas Reading Association (ARA) are pleased to sponsor the annual selection process for a book to receive the Arkansas Diamond Primary Book Award. The award and honor books will be selected by children across Arkansas participating in reading the books and hearing the books read aloud by teachers and library media specialists. This is an opportunity to engage the children in reading carefully selected books from this year's reading lists.

The book to receive the Diamond Primary Book Award will be selected by students in kindergarten, first, second, and third grades. Children in Grades K-3 need to read or listen to at least three of the books from the current reading list in order to vote. Each child may vote for only one title.
